

Summary of Key Issues

Mandurah Village Lease

Ownership and Management

Mandurah Village comprises of 21 Villas located at 22 Third Avenue, Mandurah and is owned and operated by The RSL Care WA Retirement and Aged Care Association Incorporated, trading as Acacia Living Group.

Acacia Living Group also operates a 55 bed Residential Aged Care facility nearby at Meadow Springs and Community Home Care Packages. In addition, there are 27 Villas in the adjoining Coral Estate and the shared Community Centre.

Residency Rights

A resident is granted a long term Lease to occupy a Residence, subject to early termination by death, or if a resident's health prevents the resident from safely living in the Residence.

To qualify for residency in the Village, at least one of the persons occupying the Residence must comply with criteria imposed by specific laws relating to Retirement Villages, including the Retirement Villages Act (WA). Currently, those criteria require that at least one occupant is over the age of 55 years or permanently retired and is capable of maintaining their own safety, health and wellbeing as a resident of the Village. The Village owner reserves the right at its' sole discretion, to allow a second resident who may be under the age of 55.

Residents also have the right to use on a shared basis with other residents the common areas and facilities of the Village.

Why a Lease?

Leases are widely used by Retirement Village operators in Western Australia as being the most practical and cost effective method for residency contracts.

A lease gives you the security of tenure you reasonably expect and ensures that the whole Village is maintained to a continually high standard by the Village Managers who are responsible to all residents to ensure this happens.

This type of agreement also keeps down the cost of developing such a Village as there are no separate titles and there is no Stamp Duty payable on the lease. The result is a lower purchase price to you.

Your Interests are Protected

Your Lease provides a secure and legally binding interest that is protected by your Residency Agreement, the Retirement Villages Act 1992 and a Memorial which is lodged over the title of the Village protecting your rights under the Retirement Villages Act. The Village cannot be sold for any other purpose than as a Retirement Village so your investment is secure.

Do You Own the Land?

Whilst you don't own the land, when you purchase a lease your payment means that when there is capital growth on the property upon resale, you can share in this growth. Naturally, values go up and down over time in much the same way as your current residence. Village schemes can also vary so you should check as to whether your agreement allows you to benefit from any capital growth. You do receive the benefit of any capital growth at 'Coral Estate' subject to conditions upon resale.

Summary of Key Issues

Mandurah Village Lease

Loan

No rent is paid for the Lease. Instead, the Resident lends to the Lessor a "Loan" free of any interest, for the duration of the Lease.

When a resident leaves the Village, the lease is transferred at the current market value of the Residence after refurbishment works is agreed upon with the Village Owner.

The new Lease Purchase Price is agreed by the outgoing resident and the Acacia Living Group, and is based on fair current market value.

Administration Fee by Incoming Residents

Payable by you on the grant of this Lease inclusive of GST, to reimburse us for administrative expenses incidental to processing your application to reside in the Village, administering the Agreement to Lease and your entry into the Village; currently \$1,500.00 including GST.

Operating Costs

Each resident pays a proportion of the Village Operating Costs on a monthly basis.

The Operating Costs for the Village are currently \$80.83 per week or \$357.31 per calendar month, as at July 2018.

These Operating Costs mainly comprise rates and taxes, water rates and service charges, insurance costs, water, gas, electricity etc. for common services, routine repairs, maintenance, common areas cleaning and gardening expenses, costs of providing common services and operating Community Facilities and management costs.

Resident's Own Outgoings

Residents pay for electricity, gas, telephone and other services consumed in their Residence. In addition, residents are responsible for their own contents insurance and workers compensation insurance if engaging employees privately to assist around their home.

Maintenance of Your Home

The resident must during the Residency keep the residence and its Fixtures and Fittings in good tenable repair.

The resident is responsible for internal maintenance and cleaning of the home, and must maintain the resident's own improvements and alterations. The resident must also be responsible for the maintenance of any courtyard or rear garden. Acacia Living Group is responsible for structural repairs and external maintenance, and replacement of original household plant at the end of its useful economic life, but only to the extent funds are available out of Operating Costs or the Reserve Fund.

Emergency Call System

Residences have an emergency alarm installed on the outside of the Residence. The alarm is not connected to an external monitoring service. Residents can install Emergency Call Systems to their phone line which monitors on a 24 hour a day basis. Depending on the nature of the emergency, either the Residents family doctor or ambulance service will be contacted.

Summary of Key Issues

Mandurah Village Lease

Pets

Pets are only permitted with the written consent of Acacia Living Group and then only under strict rule.

If a Resident Decides to Sell

As homes are held under a lease, they are not actually 'sold' in the legal meaning of the word. Rather, the Lease is usually transferred.

When residents sell their interest, it is usually at the current market value. The outgoing resident receives the benefit of any growth in the market value of the home including the value of any capital improvements.

When the Fixed Loan is repaid to the outgoing resident, Acacia Living Group is entitled to deduct:

1. **An Amenities Fee**

This is paid for the provision of the village common areas and facilities. It is calculated at 2.5% multiplied by number of elapsed fee days to a maximum of 25% (which is ten years) of outgoing market value or new lease price.

2. **A Reserve Contribution**

A Reserve Fund Contribution is required to cover the cost of major and infrequent repairs, replacements and renovations in the Village so as to maintain the high standards of the Village and to maximise Residence values in the long term.

It is calculated at 1% multiplied by the number of elapsed fee days to a maximum of 10% (which is ten years) of outgoing market value or new lease price.

3. **Refurbishment Costs & Supervising Fee**

These are costs paid by the outgoing resident as necessary to cover such items as internal painting and carpet replacement in order to bring the home up to the best marketable standard in order to achieve the highest possible price on resale. The "**Supervising Fee**" is 10% of the costs plus GST and means our fee for arranging and supervising the Refurbishment works.

4. **Village Operating Costs**

Any outstanding fees due but not paid.

5. **Marketing Expenses**

Any marketing costs associated with the transfer of an interest in the lease of the home.

Termination

The Lease may be terminated where:

1. The resident wishes to terminate;
2. The resident dies, or if the residence is leased to more than one resident the last surviving resident dies;
3. Due to health reasons it is not suitable for the resident to reside in the Village;
4. The resident is in serious default under the Lease and fails to rectify that default; or
5. Circumstances exist as provided for in the Retirement Villages Act 1992 which entitle termination.

Summary of Key Issues Mandurah Village Lease

In cases numbered 3, 4 and 5, except where there is agreement to terminate, the termination must be made by an order of the Retirement Villages Dispute Tribunal.

Marketing for a Replacement Resident

You do not have the right at law to market the Residence or appoint an agent to market the Residence. We are responsible for marketing your Residence. The Village Owner may either sell the Villa in-house or appoint their preferred licensed Real Estate Agent.

The outgoing Resident must reimburse the Village Owner for any selling expenses incurred.

NOTE: Importance of Reading Residence Documents, including Information Statement

The above Summary of Key Issues sets out some of the important Village Scheme provisions in an abbreviated form only. You should refer to a copy of the Village Scheme and Residency Lease and the Disclosure Booklet to obtain full details and a proper understanding of the Village Scheme.
